Here are some places on the island that still do ice cream the way you remember from childhood.

Snowflake

1148 West Main Street
Riverhead
516-727-4394

The classic flavors are terrific, and there's always a new and innovative flavor to try at Snowflake. Snowflake's suggestion box solicits customer recommendations for new flavors. Recent creations include Coconut Cream Pie, Butterscotch Chocolate Chip, and the alarmingly decadent White Mountain Mist, with white chocolate, brownie dough, chocolate chips and fudge. On the lighter side are refreshing sorbets in flavors like Apricot Mango and Green Tea.
