*It's time for the annual scoop of ice cream. Here are four places to enjoy one. Or two. Or three.*

## **SNOWFLAKE**

*1148 W. Main St.  
Riverhead*

Peerless peach, lush vanilla and brownie-laden Peconic Swamp Thing are among the classics here. But consider the flavor of the week. Two spectacular additions this year: cannoli and torrone. They're a feast unto themselves. And don't forget the grand soft-serve ice cream — the way it used to be.
